DEAR

Clients, Colleagues, Agents, and Designers.

Update of the Catalog. Last two years SITS has continued to develop as one of the leading upholstery producer in Europe. Our intelligent Eton system, that transport the parts to be sewed together high under the ceiling and decide by itself who of the sewers that fits best to do the work, is now fully implemented. The look coming into the sewing department is like Disney World, spectacular and efficient. Many other improvements have been made in all areas and we will continue this work of fulfilling the expectations from our clients and ourselves.

Our markets are increasing and we strive always to renew our sofa and table collections. With design and expression of our furniture we stay in the frontline of the Scandinavian style with the mission to satisfy our clients and stay true to our identity.

SITS values remains.
Honesty, Respect, Fairness, Quality, Service, Environmental Awareness and Equal rights to all humans.

The expression "What YOU do makes a difference" is more valid today, 2016, then ever.

Enjoy the catalog!
